The screenshot shows the CERIDIAN Dayforce clock interface. At the top, it says 'Welcome to Dayforce' and '02:02 PM Wed, February 28, 2024'. Below this, there are four circular icons: 'Start Shift' (1), 'Start Meal' (3), 'End Shift' (2), and 'End Meal' (4). The 'End Shift' icon is highlighted with a red box. A red dashed arrow points from this icon to the 'Enter' button on a numeric keypad below. The keypad has buttons for digits 1-9, 0, a 'Cancel' button, and an 'Enter' button. The 'Enter' button is also highlighted with a red box. A red dashed arrow points from the 'Enter' button to a confirmation message box on the right. The confirmation message box has a green header with a checkmark and the word 'Accepted'. Below this, it shows a blacked-out ID and the text 'Punched out at 14:18'. At the bottom right of the confirmation box is a 'Close' button.
