YEAR
CELEBRATION

OPENING WORDS FROM OUR GENERAL MANAGER

Hello and welcome to the February-March 2024 edition of the PACCAR Parts catalogue. January is already behind us, but I think it's still early enough to wish everyone a (belated) Happy New Year! I hope your 2024 is off to a safe and productive start.

For us at PACCAR Parts, we're transitioning from celebrating the division's 50th anniversary in 2023 to celebrating another milestone this year - the 30th anniversary of our aftermarket parts brand, TRP.

This catalogue puts TRP front and centre with an article highlighting the brand and its values, its origin and expansion into Australia, as well as a few insights from around the industry. Elsewhere in the catalogue, we aim the spotlight on our newest TRP store in Hastings, VIC, the second TRP store opened by CMV Group.

The catalogue also features a variety of specific TRP offerings, and we've included a wide variety of Privileges Plus specials on TRP parts ranging from cleaning products and mirrors to slack adjusters and brake shoe kits. Keep an eye out for additional TRP 30th anniversary-related specials throughout the year.

In addition to our focus on TRP, the catalogue highlights the 1st anniversary of our lineup of Kenworth Genuine cleaning products and a new range of Kenworth Genuine merchandise.

At PACCAR Parts, we hope the products and information featured here help and enlighten you in the early months of 2024, and as always, we look forward to collaborating with our dealers and customers in the months ahead!

GENUINE PARTS

Kenworth drivers take a lot of pride in keeping their rigs looking great. The new, comprehensive Kenworth Genuine Cleaning Range makes it even easier to keep your truck gleaming.

Specifically formulated and developed to be used on Kenworth trucks (but also works great on other premium vehicles), the range of cleaning products are the industry's most advanced with the inclusion of ceramic Silicon Dioxide technology.

The Kenworth Genuine Cleaning Range has also been tested by PPG for compatibility with the PPG paint used on the Kenworth production line and has been formulated and manufactured in Australia specifically for Australian conditions.

“The ceramic coating spray is the best sealant coating I’ve ever used. I’ve been a pro detailer on cars and trucks for over 20 years and used all of the top brands. Yours is the easiest to use and leaves a very bright shine.” - MICK LEE, PROFESSIONAL DETAILER
