- Increases your visibility during the day and improves safety on the road
- Clear white light performance
- Easy to install - includes pre-assembled harness and universal bracket, IP67 compliant.

# LED DRIVING LIGHTS & LIGHT BARS

TRP® LED Driving Lights feature a High Pressure die-cast aluminium housing and TRP LED Light Bars feature High Pressure extruded Aluminium Housing.

The superior optic design gives a combination beam with both good distance and width from one lamp type. All TRP® lamps come complete with easy-adjust mounting bracket.

## TYRE PRESSURE ALARM

Low tyre pressure can result in higher fuel consumption and increased tyre wear.

The TRP® tyre pressure alarm provides accurate measurements and is easy to install on the valve.

### FEATURES & BENEFITS

- Easy to install visual sensor, self calibrates
- Red light alert when tyre pressure drops
- Anti-theft lock
- 12 month hassle free warranty.
